PROFESSIONAL SUMMARY

Civil and Structural Engineer with 5 years of cross-border experience (Malaysia, Singapore, Thailand, Taiwan) specializing in high-rise design, water supply systems, and project coordination. Proven expertise in RC/PT design, BIM (Revit, AutoCAD, SketchUp Pro), and computational engineering. Skilled at integrating digital tools (ETABS, ProtaStructure Suite) and AI-driven automation into workflows to deliver data-driven, cost-effective construction projects.

EDUCATION

Master of Project Management, Sept 2024 – Sept 2026 (Expected Graduation)
Universiti Malaya Latest CGPA: 3.58

Bachelor of Civil Engineering, 1 Sept 2017 – 31 Aug 2021
Graduate Engineer (Credential ID 2222-010000-G1217337A), CGPA: 3.73 (1st Class Honor)
University Science of Malaysia (USM)

Matriculation in Science Stream, May 2016 – Jul 2017
Kolej Matrikulasi Kedah (KMK) CGPA: 4.00 (1st Class Honor)

Secondary Education, Jan 2010 – Dec 2015
SMK St. Michael Alor Setar SPM Grade: 9As, 1B, 1C

TECHNICAL SKILLS

Drafting/Modelling Software: REVIT, AutoCAD, Lumion8, SketchUp, Rhino 8
Structural Software: ETABS, ProtaStructure, PROKON, SAP2000, AdaptPT, IDEA Statica, HILTI Profis, TEKLA Structural Designer, ESTEEM
Infrastructure Software: ZeonEarth
Productivity & Designs: Photoshop, After Effect, Premiere Pro, Canva, CapCut, Microsoft Office
Automation & Development: Antigravity, Claude Code, WordPress, GitHub, CAD Lisp, Pyrevit

RELEVANT EXPERIENCE

MY Leong Engineering Sdn. Bhd., *Computational Structural Engineer*, Cheras 1 Nov 2025 – Current

- Acted as an **independent technical advisor** to bridge cross-border **engineering communications**, directly brokering a **joint venture** agreement between Thai and Chinese stakeholders for a commercial data center.
- **Secured and fully delivered** the reinforced concrete (RC) and steel structural designs for **a 2-story data center in Johor**; executed **Value Engineering (VE)** initiatives that **reduced total construction costs** by **10–20%.**
- Integrating **AI workflows** with structural analysis software (ETABS, Midas, Revit) to **fasten data analysis** and **improve decision making**.

TYLin International Sdn. Bhd., *Structural Engineer*, Petaling Jaya 10 Jun 2024 – 15 Aug 2025

- Designed and reviewed **RC and post-tensioned (PT) structural systems** for **two major high-rise** mixed-use developments.
- Drafted out **complex beam and column profiles** across varied structural framing systems, significantly **reducing clashing and material wastage**.
- Produced **detailed structural drawings, curtailment layouts,** and **bar bending schedules**.
- Engineered custom **Excel-based templates**, accelerating **shear wall and core wall design** processes by **40%**.
- Developed **AutoCAD AutoLISP scripts** to **automate ETABS modeling** and **preliminary column sizing** workflows, **increasing estimation efficiency by 80%**.

Jurucita Consultant, *Civil & Structural Engineer*, Bukit Mertajam 4 Sept 2023 – 1 Jun 2024

- Managed comprehensive water supply projects across **all lifecycle stages**, from initial Kebenaran Merancang (KM) submissions to final handover.
- Secured **10 critical water supply approvals** within **6 months** for major developments, including high-rise residential projects, by **liaising effectively with Perbadanan Bekalan Air Pulau Pinang (PBA)**.
- Directed and mentored a team of **7 junior engineer**s, developing comprehensive training programs for the water reticulation department.
- Performed **bi-weekly site inspections and rigorous technical reviews** to ensure strict compliance with engineering standards.
- **Spearheaded** an industrial development project and **managed technical submission requirements** across multiple concurrent client accounts.

ADDITIONAL EXPERIENCE & INNOVATION

Innovation Projects - NestWiseAi, Project Lead & Developer March 2025 – July 2025

- Served as a project **team leader** and developed an AI that helps people to **plan their finances** with ease.
- Develop the **Custom GPT model** (Beta Version) through the OpenAI.
- Used **NotionAi and Canva** to develop and design for the **website**.

Self-Employed, E-commerce Entrepreneur & Operations Lead 2021-2022

- Founded an **e-commerce** business selling **digital design templates** (Etsy) and **physical goods** (Shopee, Lazada), executing targeted **digital marketing campaigns**.
- Organized and led a **seasonal residential cleaning service team**, driving **customer acquisition** through targeted **Facebook Ads**.

FEATURED ACADEMIC HONOR

Graduate Engineer Aug 2022
Certified by Board of Engineers Malaysia (BEM)

1st Class Honour in Civil Engineering Degree Aug 2021
Certified by Universiti Sains Malaysia (USM)

1st Class Honour in Science Stream (Module 1) Jan 2017
Certified by Kolej Matrikulasi Kedah

Google Drive Link of Certificates for reference: https://bit.ly/44hH30v

PUBLICATION & AWARDS

Publication: *Assessing Cold-Formed Steel Section Performance in Fire: A Comprehensive Review of Numerical Models and Resistance Factors* (2025) https://doi.org/10.1007/s13296-024-00929-1

Awards: 7th Place, International UTM Bridge Model Competition (2019) | 3rd Place, USM Build and Break (2018) | 3rd Place, USM Earthquake Model Competition (2019)

LEADERSHIP

HOD of IT and Design, American Society of Civil Engineers (ASCE) & Institution of Engineers, Malaysia (IEM) (2020).

Community Service Leader, Rural Education Programs (Xia Xiang & Li Sheng) (2017–2019).
